All-Chinese are Winning Many Games on East Coast

Accounts of Some Recent Contests in Pennsylvania and Vermont—Vernon Ayau Makes Good as a Pitcher—Team Hits Hard

After losing a number of games due to injuries to some of the players, the All-Chinese nine now touring the mainland is coming on at a fast pace. The Star-Bulletin's special correspondent with the team writes interestingly of several of the recent games, as follows:

Gov. Tener Witnesses Penn State and Chinese Exhibition.

[Special Star-Bulletin Correspondence]

STATE COLLEGE, Pa., June 9.—Before an exceptionally large crowd Sammy Hays' team defeated the strong aggregation of the Penn State College today by the score of 8-6.

Governor John K. Tener, president of the National League, hurried the first horse over the pan. It was indeed an honor to meet the Governor, for he is very prominent and popular, both in business and baseball, throughout the country.

En Sue started the fireworks with a pass and was later caught off second. Ayau beat out an infield hit, but Chin popped. Mark poled for three bases into deep right field and scored. Vernon. Foster ended the inning with a fly to left.

In the fourth, Kan Yen singled and Akana walked. Alvin tripped to left and scored Kan Yen and Albert. In a squeeze a fast double play ended the side.

Penn State managed to even up the tally in its half of the same stanza. Komlars was passed, Craig singled and Blythe walked. Robinson tripled and later scored on Vogt's neat bunt.

By four clean singles, an error and a passed ball in the fifth period the Chinese put the game on ice. Two successive homers by Miller and Craig respectively were the only counts afterward.

Prior to the afternoon's attraction the old graduates gathered in a happy reunion and paraded the town. Score as follows:

Chinese 10, Mayville Park 5.

[Special Star-Bulletin Correspondence]

SHAMOKIN, Pa., June 14.—Mayville Park Club met easy trimmings at the mighty hands of the Chinese today by the score of 10 to 5.

Although allowing eight scratch hits, Apau Kau heaved a very good game against the miners. His support was good and only one misplay was credited. Kleskie went on the mound for the miners but he had to be rescued in the sixth stanza and Omor was called upon to finish the slab work. Score as follows:

Ayau's Twirling Beats Italian A. C. 8 to 5.

BARRE, Ver., June 24.—Vernon Ayau today went on the mound for the first time and did wonderful hurling for the team. His effectiveness,

combined with the team's hard hitting and speed on the bases resulted in another victory. The score was 8 to 5. Ayau unloaded a rare mixture and during the nine rounds he allowed only seven bingles and incidentally struck out seven stone cutters.

Tomas opened the battle for his team, but was knocked off the rubber in four innings. The Chinese had a lead of five tallies when Polli relieved him.

Four hits, the last one a double, a sacrifice fly and two misplays netted the Chinese five runs in the fourth. The Chinese increased their total by three runs at Polli's expense in the eighth and ninth.

Two walks, two singles and two errors gave the Italians a trio of counts in the fifth. And two errors, two hits and good base running registered the granite polishers to five in the seventh.

The feature of the day was the fast and excellent fielding and speed of En Sue and Bottigli, who made several spectacular catches. Score:

First Photograph Showing Shamrock IV in Cutter Rig

SHAMROCK IV in CUTTER RIG

This photo of the cup challenger was taken during the last series of trial races against the Shamrock III, and shows her for the first time in the famous rig which Nicholson and Burton think will aid her greatly in the attempt to lift the trophy. A great deal of lead has been taken off the keel and a slightly longer bowsprit added to accommodate the larger head rigging.

[By Latest Mail]

FALMOUTH, Eng., July 28.—I am leaving for America with every confidence that the next boat I build will be a defender and not a challenger," said Sir Thomas Lipton before his departure for the United States with Shamrock IV, challenger for America's cup.

Shamrock IV has been rigged as a ketch for her voyage across the Atlantic and will carry only half her racing crew of 30 men. Charles E. Nicholson, the designer; William P. Burton, who is to be the racing skipper, and Captain Turner, who will act as skipper during the voyage, will be on board the yacht.

Others With Sir Thomas. The remainder of the crew will be on Sir Thomas' steam yacht, Erin, which will act as convoy and will, in case of necessity, tow the Shamrock IV.

The problem of getting the Shamrock across the Atlantic under her own sails is almost as great as that of racing her, and the ship's builders and crew have been busy with preparations since the last trial spin.

The single mast, which looks so large by contrast with the small hull, has been shortened by the removal of the topmast, and a second, small mast erected far aft to carry a small mizzen sail. In case of bad weather the Shamrock can sail with only her foresail and her small mizzen sail.

The two yachts will go on a southerly course and will stop for rest and supplies at the Azores. There the complement of men for the Shamrock will be shifted. The men who take her to the Azores will change places with those on the Erin.

The people of Gosport presented the challenger with a model of a narrot as a mascot and this will be perched on the bowsprit while the yacht is crossing the ocean. The Shamrock also carries a number of toy monkeys and other objects sent as mascots.

SACRAMENTO HAS TEN PLAYERS ON SICK OR INJURED LIST

If the "twenty-man" limit does not prohibit the Wolves from carrying an extra man in the form of a physician and surgeon, the Sacramento club would do well to carry one, as the club has a hospital list that would take up the full time and talents of a good doctor and a few trained nurses.

In the fourth inning of the combat at Ewing's field, "Daddy" Rohrer, the brave little catcher of the Wolves, was jammed into by Gardner and "Knocked out." Rohrer was so badly shaken up that he had to quit the game, and after he reached the clubhouse he collapsed several times. After the game Rohrer had to be taken away in a taxicab, as he was unable to walk.

Rohrer is the last player to join the Sacramento team's hospital list. Last Saturday Stroud, while warming up, had a finger on his pitching hand split and he will be out of the game for at least a week. Stewart is still laid up from a collision at the plate with Mitze in last Thursday's game. Youns has a split finger. Lynn is under the weather. Orr has a bad ankle, while Jimmy Shion is far from right yet. Van Buren has a bad hand, while Eddie Hallinan is suffering from a twisted ligament in one of his legs. Gregory has been suffering from malaria nearly all season and Hannah has been badly overworked.

Half of Wolverton's team is in no condition to play baseball. The team is carrying the largest hospital list of any club in the league. Things are surely breaking bad for Wolverton.

WILLIE RITCHIE TO BUILD APARTMENT HOUSE ON HIS LOTS

Willie Ritchie is about to join the ranks of San Francisco apartment house owners.

Excavation work has been started on a part of the building site at the corner of Sacramento and Taylor streets, and for which Ritchie, a short while prior to his departure for the East, paid \$60,000.

Ritchie is said to have conferred power of attorney upon a local real estate man from whom he purchased his lots, and through this man, it is said, contracts for at least a part of the work of construction have been let.

The apartment house, according to statements made by the ex-champion's intimate friends, is to be one of five stories and will cost from \$30,000 to \$40,000.

Two lots of the eight purchased by Ritchie are to be utilized for the building, and the remainder, if present plans are carried out, will be sold.

FOURTEEN-MILE RACE FOR WOMEN SWIMMERS

[Associated Press]

NEW YORK.—Arrangements have been completed for a long distance swim for women, from the Battery to Geo. C. Tilly's Steeplechase Park pier; Coney Island, distance about 14 miles, to take place on Sunday, August 23. The prize will be a handsome silver mile cup.

The contest is open to all. The

FILIPINOS ON KAUAI FIGHT AFTER BASEBALL

LIHUE, July 28.—A baseball game at Makaweli Sunday afternoon between Filipinos and Porto Ricans seems to have been taken with more than ordinary seriousness by some of the Filipinos living in the neighborhood. After the game was over, Gregoria, living at Camp 8, engaged in a lively dispute over certain points of the contest with several of his countrymen. The question was left unsettled over night.

Yesterday morning the dispute was renewed, and during its progress Gregoria is alleged to have whipped out a knife and got quite busy all at once.

He first assailed Tabata, with whom he had had the first dispute, and cut him fearfully in a number of places, although it is stated from the Waimea hospital that the man has a bare chance of pulling through.

A second Filipino was also slashed but not hurt bad enough to be taken to the hospital.

Gregoria is under arrest in the Waimea jail, where he will await the fate of his victim before being charged.—Garden Island.

MODEST BOY!

LADIES RATTLE

MATHEWSON

[By Latest Mail]

CHICAGO.—Christy Mathewson, star pitcher of the New York Giants, lost an 18-hole golf match at the South Shore Country Club because, he said, he was embarrassed by the gallery of women who followed the play.

"It was worse than a world's series game," said Mathewson. "I never was so embarrassed in my life. I couldn't do myself justice at all!"

Mathewson played the match with Grandland Rice, a sporting writer. On the first nine holes Mathewson had Rice three down, but the news had spread that the pitcher was playing, and a number of women who had been engaged in a tournament abandoned their game to follow the match. From the moment the gallery joined them Mathewson became erratic. He finished with a medal score of 89.

"If anyone wants to know what is a nerve-shattering ordeal," said Mathewson after the game, "let him try to hole a ten-foot putt with a crowd of women looking on."

SAY FRANK MORAN HAD AGREED TO "FAKE"

A London newspaper has printed what it terms an "expose" of the Johnson-Moran fight, which, it declares, was arranged as a monumental fake, and with the understanding that Moran was to "flop" in the eighth round.

The paper prints what is alleged to be the correspondence which passed between Johnson and Dan McKettrick, manager of Moran. An explanation is made that the letters were obtained direct from McKettrick, who, after apparently entering into the agreement to fake, ordered Moran to go in and fight his best.

Johnson is said to have been completely nonplussed at the manner that Moran came at him after having agreed to "go out," and to have been compelled to use all his ring generalship to last the 20 rounds.

PORTLAND COLTS ARE MOVED TO NEW HOME

[By Latest Mail]

SEATTLE.—The Portland franchise of the Northwestern league was transferred to Ballard, a suburb of Seattle, at a special meeting of the league directors here. The change will go into effect next Monday when Victoria will play Ballard on the Seattle grounds.

The transfer of the Portland team to Ballard will give Seattle continuous baseball.

Quinn Farr, a Seattle timber broker, has purchased the Portland team from Judge W. W. McCredie of Portland, and will have full control of the club.

The transfer of the Portland franchise was the result of poor support given the Northwestern league in Portland.

PADDON WILL ROW BARRY FOR TITLE

[Associated Press]

LONDON.—James Paddon, the famous Australian professional sculler, has arrived in England for his four-mile race against Ernest Barry for the world's championship. This contest will be held either the last week of August or the first week of September over the Putney-Mortlake course of the Thames. Barry has held the title since July 29, 1912, when he defeated Ernest over the same course.

course selected is from the Battery, N. Y., through the Narrows, and Lower Bay, to Norton's Point, and then to the finish at Steeplechase Park, Coney Island.

KAUAI BASEBALL GIVES EXCITING GAMES TO FANS

LIHUE, July 28.—The Lihue baseball team was most thoroughly and soundly drubbed by the Makawelis on the latter's diamond Sunday afternoon. At no minute from the call to "play ball" until the boy was ready to clean off the score board for the next game did the Lihues have any more show than that snowball we hear so much about; and, in fact, the victorious Makawelis might have been scoring yet for all that there was to stop them.

The Lihues really got two men across the plate—or rather, the Makawelis made them a present of two runs, for the game could have been a shut-out as easy as not. As for the Makawelis, they scored pretty much at will and quit when they felt like they had enough.

The Makawelis battery (Krusse and Fassoth) played an immense game, and they had powerful backing from the base and field. There were really no serious blunders and the team work was superb. The Lihues changed batteries (or part of their battery) three times, but were unable to check their victorious opponent in the slightest.

The score was as follows:

Lihues	0 1 1 0 0 0 0 0 2
Makawelis	2 5 2 1 2 3 0 17

Krusse-Kilueas.

The game between Koloa and Kilueas, on the latter's ground, was quite exciting from start to finish and was vigorously played. There was a fair-sized audience. Kuhlmann pitched and Fujishima was behind the bat for the victors. Woods twirled for the Kilueas and was held by Lorenzo.

The score by innings was as follows:

Koloas	0 0 1 0 1 0 1 0 4
Kilueas	0 0 0 0 1 0 1 0 2

WORLD'S TOUR FAILED TO HURT BALL PLAYERS

[By Latest Mail]

NEW YORK.—Hughie Jennings' fears were groundless. The world tourist ball players seem to have been benefited by their jaunt through foreign lands, instead of harmed by the continuous ball playing.

Hughie, early in the spring, felt sure that the "continuous playing" would put the finger on the efforts of the stars during the regular 1914 season. And early in the season it did look as if Hughie was right, because some of the players who were on the tour were far below their normal form. But they have rounded to and now are breezing along at even a faster clip than in other years.

Tris Speaker, of the Red Sox, got away to a bad start this year in the batting line, but about a month ago he began clubbing them out with all his old-time skill, and Tris now is over the 300 mark. The same is true of Larry Doyle, of the Giants. Larry floundered along for the first six weeks, but since then has been hitting "em to all sections of the field and fielding and running in a sensational manner.

"Wahoo Sam" Crawford, who labors for Jennings, is batting over his 1913 mark, is fielding in brilliant style and running bases like a ten second athlete. To date the husky Samuel has pilfered something like 30 sacks against 10 or so for the entire 1913 season. Sam has been around the 330 mark in batting all season, against an average of .316 for last year.

Probably the most surprising improvement has been shown by Steve Evans, the comedian outfielder. When Steve left with the tourists it was reported that the St. Louis Cardinal would shunt him off to a minor league when he got back.

"Steve can't hit worth a darn and he's slowing up," they said about Steve.

When Steve returned these reports reached him, and without waiting to find out if they were true, Steve leaped into the waiting arms of the Federal leaguers.

Dick Egan of the Dodgers and "Lefty" Leverniz, the St. Louis Browns' pitcher, are the only two players who have gone back since touring. Leverniz seems to have lost his last year's effectiveness in the box. Whether this is due to the effects of the trip or is just a natural slump that comes sooner or later to every pitcher, is a question. Leverniz believes it is the latter and that before the season is much older he will be pitching winning ball.

JIMMY DUFFY IS ON TRAIL OF NEW CHAMP

Jimmy Duffy, who not so many months ago defeated Freddie Welsh, has written the new lightweight champion, offering to bet him \$10,000, or any part of that amount, that he can stop him within 20 rounds.

Duffy states further that if Welsh does not care to bet even money he
